

GeoCities Join us! New Member Application

You are about to join the largest community on the Internet. Being a member of GeoCities is fun and becoming a member is easy. All you have to do is pick a membership plan, select a GeoCities name and address and review the member terms of service. After you've completed those minor tasks - we'll even help you build your first home page.

- Free Personal Home Page Program**
The key word is FREE. This program includes 3 megabytes of space to work with and all the tools, utilities and help you may need to succeed.
- GeoPlus**
You get all the free stuff listed above, PLUS a total of 15 megabytes of space, a personalized URL, a file of free trial memberships in other web-related companies, a bunch of subdirectories to help organize your files, and a cache of cool utilities to soup up your site. And, under the new plan, you can join for only \$4.95 a month. You don't have to decide now. You can always sign up for GeoPlus at <http://www.geocities.com/join/geoplus/>.

The next step is understanding our Member Terms of Service.
