I love this product. I am the #1 fan of coconut scented products and the scent of this one is heavenly! I also like that it's soap free.

As good as any other moisturizing shower gel.
There are many good moisturizing shower gels, so I can't honestly say this is better than others. If you like a rich scent, you probably won't like this, it's very light.
My only complaint, and the reason why I don't give it 5 stars, is that the bottle is very sticky and falls out of my hands when I need to get more gel (I use exfoliating gloves) I don't have this problem with any other brand.
